

QUALITY POLICY

ePATHUSA recognizes Quality as an essential element that provides the Company with its continued success within the IT Industry.

ePATH Quality policy is implemented in all areas of operations by:

- *Communicate and maintain its Quality objectives, and its performance in achieving these objectives, throughout the Company and to interested parties;*
- *Establish effective processes and systems, designed to meet all safety, quality, cost and delivery objectives of the business.*
- *Providing the resources to employees to meet quality requirements and encourage them to achieve good work at first time, every time and on time.*
- *Providing our Clients with products and services which fully meet their specified requirements and expectations and comply with relevant codes and standards.*
- *Work closely with clients and Suppliers in seeking to establish the highest Quality standards;*
- *Promote a culture of Continual Improvement in our business practices, led by Senior Management.*
